Coach.

Speaker.

Presenter.

Event's Influencer.

The Event Industry's go-to for  
personal development

# Juliet Tripp

Juliet is the event industry's go to for personal development.

With over 11 years' experience in the world of events, Juliet Tripp is CEO of 'The Events Coach' – empowering event professionals to increase their impact, influence and income in events, alongside coaching coaches to run sell-out events.

Prior to this, her career has seen her run conferences and events internationally, lead events teams, mentor and train industry pros and develop successful event business strategies across senior leadership positions in agency and corporate companies.

Juliet is an international speaker and presenter, regularly speaking on global industry stages including IMEX, EventMB, and International Confex. She has co-hosted Like an EventBoss, the unfiltered international events industry podcast with Carrie Abernathy and the event and travel industry talk show, the C&IT Show with Calum Di Lieto.

In 2019 she was awarded a Conference News 30 under 30 award and in 2021 a C&IT Corporate A List award, alongside being named one of the 21 most influential women in events by Glisser two years in a row, and most recently, named one of the 100 Most Influential People in Events in 2022.

# SPEAKING TESTIMONIALS

Juliet is an incredibly professional speaker who can discuss the most difficult topics in a very engaging way. I've had the pleasure to work with her several times and feedback from attendees has been phenomenal. You can tell when a speaker does well by the amount of questions and interactions. She has always been very engaging and our audience loved her performances.

Julius Solaris, Founder, Boldpush

Juliet, my co-host on The C&IT Show, is an incredibly professional presenter. She delivers intelligent and informative remarks off-the-cuff and keeps audiences engaged by injecting her fun-loving personality into every broadcast. It is very easy to build a rapport with her making her an absolute pleasure to present alongside

Calum Di Lieto, Editor, C&IT
